

Partial Dentures the fantastic

Scandinavian approach

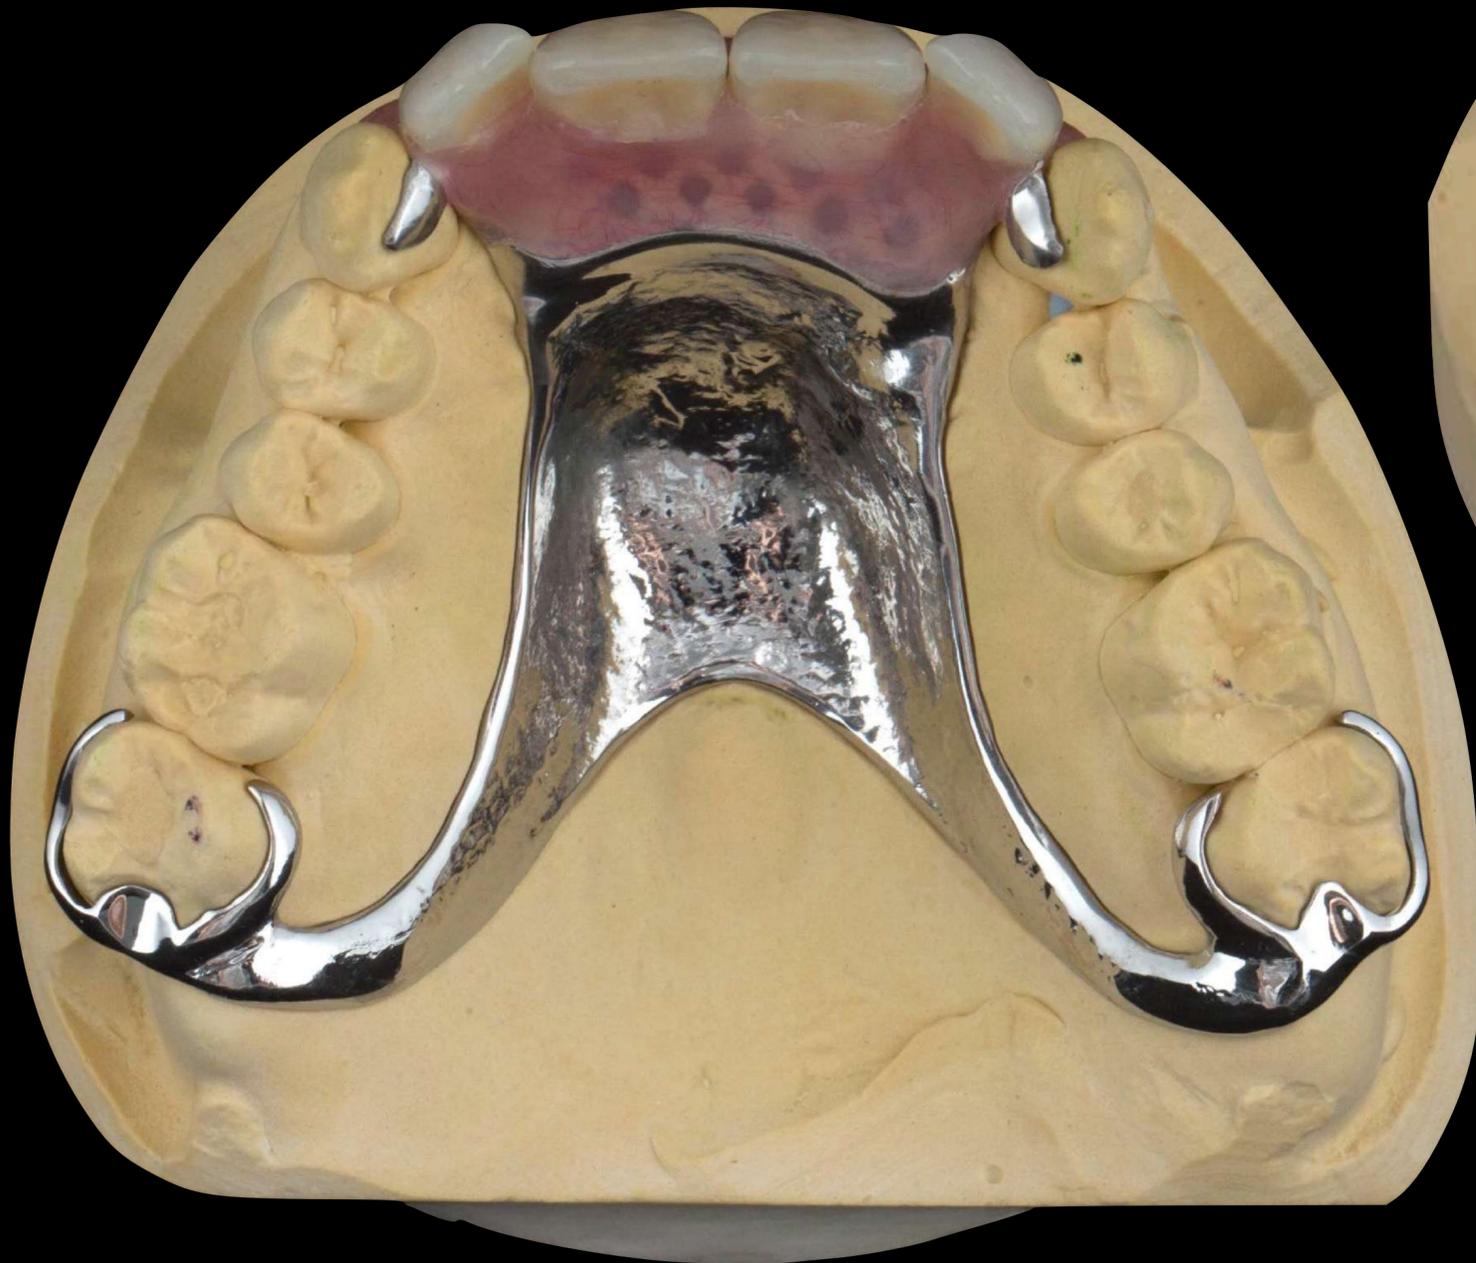

Finlay Sutton

Vast vs specific

Try to fit in every general and conceptual detail when describing a very big concept and it's likely that we'll be confused. When you're intent on explaining all of it, we glaze over.

Consider switching gears and sharing the most specific possible example with impact and humanity instead.

If we're sold on where you're going, we'll probably spend the time to learn how to get there.

I dreaded providing dentures

I used to hate
dentures

Edinburgh 1998

A panoramic view of Edinburgh, Scotland, at dusk. The Edinburgh Castle is illuminated on the hill in the background. In the foreground, the Belfry and the Scott Monument are prominent, both lit up. The sky is a deep blue with some clouds. The overall scene is a vibrant cityscape at night.

A man in a black shirt and glasses is smiling and holding a small object, possibly a piece of jewelry or a small component, while standing next to a man in a white lab coat who is seated at a workbench. The man in the lab coat is looking down at the object being held by the man in the black shirt.

The man in the white lab coat is seated at a workbench, looking down at a small object being held by the man in the black shirt. The workbench is cluttered with various tools, a microscope, and several labeled boxes.

A microscope is mounted on a stand above the workbench. The microscope has a large objective lens and a smaller eyepiece. The stand is white and has a light fixture attached to it.

A piece of equipment, possibly a scale or a small furnace, is mounted on a stand above the workbench. It has a metal body and a glass window.

Several small, labeled boxes are arranged on the workbench. The boxes are white and have handwritten labels. The labels include numbers and names, such as "1006", "664c", "908", "Heame", "127", and "1003".

Shelves in the background are filled with more boxes. The boxes are white and have handwritten labels. The labels include numbers and names, such as "650", "664", "669", "672", "51", "52", "75", "Box 2", and "240".

I only do dentures

Bernard the Bruxist

2013

A close-up photograph of a man's mouth, showing his teeth. The teeth exhibit significant wear, including chipping and discoloration, particularly on the upper front teeth. The man is wearing a blue and white striped shirt. The background is a plain, light-colored wall.

Destroyer of teeth and my life

2013

On arrival

Whorlie bridge £30K 2013

A dental model of a whorlie bridge, showing a series of teeth connected by a metal framework. The teeth are white and appear to be made of porcelain or ceramic. The metal framework is silver and has several circular holes. A purple rectangular box is overlaid on the center of the model, containing the text "Fin, you idiot!".

Fin, you idiot!
